PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 290A to
Stringtown, Oklahoma as that community's first local FM
service. Stringtown is an incorporated city with a
population of 755 people. It has its own mayor, Leslie
Thompson, its own elementary and high school, post office,
fire department, police department, city offices, water
department and a number of local churches. The proposed
channel 290A will provide additional diversity and an
outlet for local self-expression to Stringtown residents

and therefore is in the public interest.

Should this petition be granted and Channel 290A is allotted to Stringtown, Oklahoma, Petitioner will apply for Channel 290A at Stringtown and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Charles Crawford', is written over a horizontal line.
